His Excellency
General Leopoldo Galtieri
President of the Republic of Argentina
Buenos Aires, Argentina

Dear Mr. President:

I would like to take this opportunity to express my support for your government's recent announcement that it will discuss the fate of disappeared people with their families. This initiative is a welcome one and a first step in healing the wounds of the past. I, and my colleagues in the United States Congress, welcome your efforts in this area and encourage you to pursue them.

I would also like to ask your assistance in locating a missing American citizen named Toni Agatina Motta whose fate is of special concern to me. It is my understanding that Miss Motta's family last heard from her in August of 1980 when she telephoned them from Argentina. She has not been heard of since. I would appreciate being informed of her situation at the earliest possible date. If she is in jail I would like to know where and what charges have been brought against her.

Thank you for your attention to this important matter.

Respectfully,

Don Bonker
